David E. Morales, M.D.
PLASTIC SURGERY

Dr. David Morales, a board-certified cosmetic and plastic reconstructive surgeon, completed his training at the University of Texas Southwestern Medical Center and is a Harvard Medical School graduate. His diverse practice includes facial and body cosmetic surgery, as well as body contouring after weight loss. Dr. Morales is also involved with breast cancer reconstruction patients. His attentive staff help assure the highest level of comfort and safety during and after your surgery. Dr. Morales' patients are men and women of all ages and occupations, and for many of them, cosmetic surgery has been instrumental in enhancing their self-image and improving their overall health.
