MEDICAL DEGREES AND ACCREDITATIONS

Dr. David E. Morales is board-certified by the American Board of Plastic Surgery. He completed his residency and fellowship training at the University of Texas Southwestern Medical Center and is a Harvard Medical School graduate.

AREAS OF EXPERTISE

Dr. David E. Morales is a cosmetic and reconstructive surgeon. His diverse practice includes facial cosmetic surgery, including brow, eyes, nose and facial surgery. He also focuses on body procedures such as breast surgery, tummy tucks and liposuction, as well as body contouring after weight loss. Dr. Morales is actively involved with breast cancer reconstruction patients as well.

AN ARTISTIC APPROACH

Dr. David E. Morales strives to provide individualized attention, with an unwavering focus on every detail of care. "It's a privilege and joy to get to know and work with my patients, applying the best of my artistic ability, medical knowledge and surgical technique to develop an optimal and safe operative plan to realize their goals." Dr. Morales views plastic surgery as an opportunity to improve your overall lifestyle, and feel better and healthier about yourself. His attentive and well-trained staff are a uniquely dedicated and compassionate team, trained to assure the highest level of comfort and safety during and after your surgery. Dr. Morales' patients are men and women of all ages and occupations, and for many of them, cosmetic surgery has been instrumental in enhancing their self image and improving their overall health. "Like most of our patients, we prefer a natural look and a healthy body contour, rather than an over-styled artificial trend. When people look better, they generally feel better... and if feeling better makes you healthier, then we have come full circle and the ultimate goal has been met."
